

Alyce McCain (Laredo ISD speech pathologist)

Alyce McCain was born and raised in Laredo and has called the city home for most of her life. She studied at The University of Texas at Austin where she graduated with a B.S. in Communication Sciences and Disorders. She has two children, Krysta and Nathan, and currently works for Laredo Independent School District as a speech therapist. As a new addition to the RGISC team, Alyce hopes to promote the conservation of parks and green space and assist in the advancement of initiatives that promote a greener and more sustainable Laredo.
